Class 8 - Market Baskets

Each exhibit must include at least seven different fruits, vegetables, flowers, or herbs, with a minimum of four vegetables.

Exhibitors must provide their own basket or container, which must fully contain the entire exhibit—no part of the entry may overflow onto the display table. All horticultural items must be grown by the exhibitor, and no polish or artificial enhancers may be used on any item. Judging will follow the American System, with youth entries judged separately from adult entries.

No premiums will be awarded to exhibits that are not considered up to standard, regardless of the number of entries in the class.

FRUITS & VEGETABLES

 19. Sunflower, largest head
 20. Sunflower, most heads
- (All Sunflowers must have root intact, and free of Aphids)**

Class 11 - Wheelbarrow Herb/Veggie Garden

What an ingenious way to re-use an item around the house and build a portable garden that can make the most out of limited sunny areas! Wheel on down to this year's Benewah County Fair with your portable wheelbarrow garden. The wheelbarrow garden must include at least three different herb or vegetable plants. Gardens must also include an 8.5" x 11" sign listing the plants contained. Gardens will be judged on appearance and functionality.
